Club stand information for Tatton Park Classic Car Show (club stands are FREE! at Tatton)

Dear Club Organiser

Thank you for your interest in our **Classic Car Spectacular 3 Day Jubilee Special Show** set in the beautiful grounds of **TATTON PARK**. The show is very popular with both exhibitors and visitors, particularly with the added attraction of the **Autojumble** being the biggest and best of it's kind in the North of England.

The large area of **Autojumble/ General trade stands** keeping many people busy for hours, whether searching for rare obsolete vehicle spares, tools or car cleaning products, it's all here, with stalls to interest everyone, from plants to jewellery, toys & models to T-Shirts and tents!! (**around 200 stalls in all**)

The classic car mart is also very popular, always having some really nice cars on offer, but you'll need to be quick, the best cars usually sell very quickly, at recent shows even the show staff have managed to purchase some excellent classic cars!!!

The exhibits area too will require many an hour to see, with approx **1500** exhibits from around 90 top car club displays, some making Tatton Park event their National Weekend! Our individual private entry areas are also 'crammed' with the very best quality exhibits

Each show day sees our team of judges award over **70 trophies** to the best cars in each category. **Club stands** too are judged with **12 trophies** awarded each show day!

Clubs attending the Tatton Park events regularly report very good new member recruitment with regalia sales also very positive. Please apply early for your **FREE** club space at this very busy event. **Cheshire Auto Promotions** are committed to ensuring all participants have an enjoyable weekend at Tatton Park.

We do hope you can join us in our **26th year** at glorious Tatton Park, a magnet for all classic and vintage car enthusiasts...

Look forward to seeing you there.
